## Samuel Ball Platner, Thomas Ashby, A Topographical Dictionary of Ancient Rome, Preface

Whereas, however, I was unable at that time to take any share in its preparation, he, having been rejected for service in Europe on grounds of health, despite repeated attempts to take an active part in the war, even before the entry of the United States, applied himself to the task with characteristic energy.

### A new topographical dictionary of ancient Rome (1992 edition)

Further excavation is necessary, in order to make sure that no further fragments are hidden beneath the mass of debris that covers the south-east corner of the Forum Pacis see p.

### The Dictionary of Ancient

What that meant to his colleagues is well expressed in the Memorial adopted by the Faculty of Adelbert College of Western Reserve University, of which he had been for thirty-six years a member, which aptly closes with the words: T. I am much indebted to Mr.
